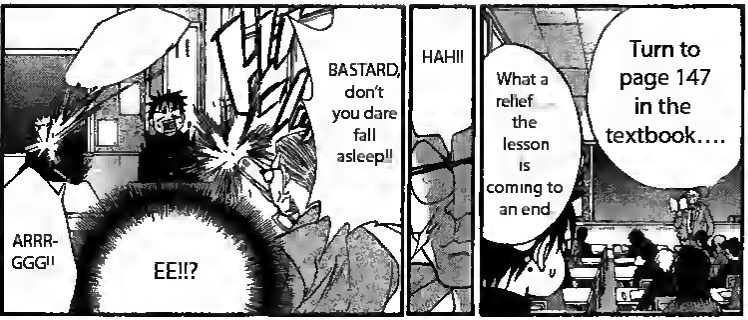
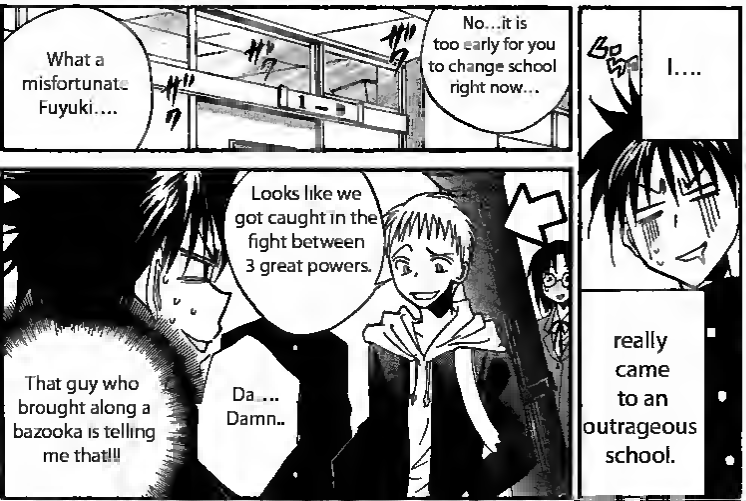
AHHH.... I AM SORRY!!!!
Dammit !!
!?

!!
Stop it, all of you!!!
Time's up... Did you all not hear what I just said?
The general rule is "All fights are prohibited within the school compound".
If you choose to break the rules.....
then you wouldn't mind the student council becoming your enemies right??
You guys too should go back
Hah... Count yourself lucky Kasuga

Those executives are amazing, don't you think so?
What the hell is happening here!?
!?
The president of the student council is very cool.
As expected of Kasuga.
Once again, the society broke down and the various factions fought each other thus creating the warring states era.
By the year of our lord 1585, Oda Nobunaga unified the country
but no heir to the throne was ever decided.
You too, should aim high to be the "Great King of Kings".
Haa.... ha....
That person will be the "Great King of Kings".
If there is one person left standing at the summit before night falls
and unifies the country
Some 400 years later, the scene repeated itself in this campus.



BASTARD, don't you dare fall asleep!!
ARRR-GGG!!
EE!!?
HAH!!
What a relief the lesson is coming to an end.
Turn to page 147 in the textbook....



What a misfortunate Fuyuki....
No...it is too early for you to change school right now...
I....
really came to an outrageous school.
Looks like we got caught in the fight between 3 great powers.
That guy who brought along a bazooka is telling me that!!!

Well, both the Manga club and the Executives are actually the 2nd strongest and rank just below the student council
Just to be frank with you, I am aiming to be the "King of Kings" but she is the only one I will never mess with...
And yet she is such a cutie!!
NO WAY!!
and by the end of January, that manga club rose to be one of the 3 great powers.
Well, Kasuga too was a transfer student and joined that manga club on the first day of January
What a persistent guy...
Anyway, I am not giving up that soon!!

Are you badly hurt, Souichirou!?
No worries, It was just a graze...
Apart from that, are you hurt Kasuga?

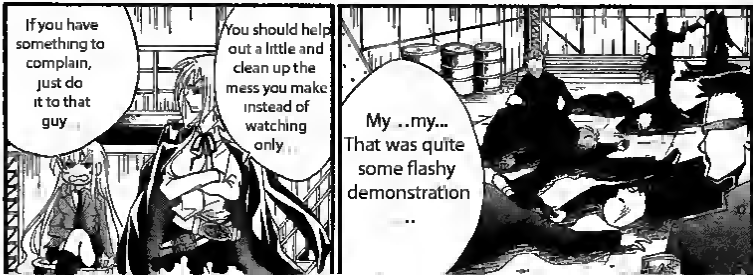
Why would you go that far just to enter the Manga Club?
It was because I wanted to be a comic artist...
Is that all you wanted?
Besides, I want to draw a comic all about you when you become the "King of Kings"!!

Fool…

Ye…
YES!!
So keep doing your best for me!!



If you have something to complain, just do it to that guy
You should help out a little and clean up the mess you make instead of watching only
My ..my... That was quite some flashy demonstration ..

Well, the Executives were entirely annihilated.
So…it looks like you are one step closer to becoming the "King of Kings".
You too will be gone before long.
So you must be that Fuyuki?

HOW THE HELL WOULD I KNOW!!!
YOU ARE UNFORGIVABLE.....

Notes

Translator - ~Brianma~

In the Summary, the name was Huyuki and I translated here as Fuyuki. Anyway both are the same. Also, the title "Zaou" was translated as "King of Kings". It literally means "Great King".

Thanks for reading this and MERRY CHRISTMAS!!!
